### **ABRCMS – Annual Biomedical Research Conference for Minority Students**

- This is a conference for Minority students.
- “In order to move the fields of science, technology, engineering and math (STEM) forward, it's crucial that there is more diversity, which means the inclusion of minorities, veterans and people with disabilities working in these fields. The first ABRCMS hosted by ASM in 2001, was founded to encourage minority, first-generation, veteran, and disabled students to pursue higher education in STEM. Today, ABRCMS is one the largest professional conferences for underrepresented students.”
